Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Big Brothers Big Sisters of Central Arizona (a nonprofit organization), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Big Brothers Big Sisters of Central Arizona as of June 30, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of Big Brothers Big Sisters of Central Arizona and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Big Brothers Big Sisters of Central Arizona's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Big Brothers Big Sisters of Central Arizona's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Big Brothers Big Sisters of Central Arizona's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited Big Brothers Big Sisters of Central Arizona's June 30, 2021 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated February 25, 2022. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2021, is consistent, in all material respects, with the audited financial statements from which it has been derived.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

Big Brothers Big Sisters of Central Arizona (BBBS or the Agency) was incorporated in the state of Arizona and is a nonprofit corporation organized to provide guidance to boys and girls through association with appropriate role models. The mission of BBBS is to help children realize their potential through the development of professionally supported one to one relationships with volunteers who care about them. The vision of BBBS is that BBBS contributes to a healthier and stronger community by providing children with mentors who will help them succeed in life. The majority of BBBS revenue is derived from various fundraising activities, grants, and contracts with other nonprofit organizations, corporations, and local governments.

BBBS operates under an affiliation agreement with Big Brothers Big Sisters of Central Arizona Association (the Association). BBBS and the Association each have a separate board of directors. The Association has no legal obligation to fund BBBS, but the intent is that they will work together.

Net Asset Classification

Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Agency and changes therein are classified and reported as follows:

Without Donor Restrictions – Net assets that are not subject to donor-imposed restrictions. Those resources over which the board of directors has discretionary control.

With Donor Restrictions – Net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be satisfied by actions of the Agency or passage of time. Other donor-imposed restrictions will be held in perpetuity by BBBS. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Prior Year Summarized Information

The financial statements include prior year summarized comparative information in total. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the financial statements as of and for the year ended June 30, 2021, from which the summarized information was derived.

Use of Estimates in the Preparation of Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make a number of estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Cash and Cash Equivalents

The Agency considers all highly liquid investments with an original maturity of three months or less at the time of purchase to be cash equivalents.

Investments

Investment purchases are recorded at cost, or if donated, at fair value on the date of donation. Thereafter, investments are reported at their fair values in the statement of financial position. Net investment income is reported in the statement of activities and consists of interest and dividend income, realized and unrealized capital gains and losses, less investment expenses.

Grants and Contributions Receivable

Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. The discounts on those amounts are computed using risk-free interest rates applicable to the years in which the promises are received. Amortization of the discounts is included in contribution revenue.

Management provides for probable uncollectible amounts through a provision for bad debt expense and an adjustment to a valuation allowance based on its assessment of the current status of individual accounts. Balances that are still outstanding after management has made reasonable collection efforts are written off.

Management believes that all grants and contributions receivable at June 30, 2022 are fully collectible.

Property and Equipment

Property and equipment is initially recorded at cost and donated property is recorded at the fair value at the date of the gift. Contributions of nonfinancial assets are initially recorded at fair value and then carried at the lower of carrying value or fair value. The assets and liabilities under capital leases are recorded at the lower of the present value of the minimum lease payments or the fair value of the assets. Depreciation is provided using the straight-line method over estimated useful lives of the acquired and donated assets. The estimated useful lives range from 3 to 5 years. Repairs and maintenance are expensed as incurred.

The Agency capitalizes expenditures that are equal to or greater than $2,500. When items are retired or otherwise disposed, the cost and related accumulated depreciation are removed from the accounts and any resulting gain or loss is recognized in the statement of activities.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Impairment of Long-Lived Assets

The Agency reviews long-lived assets for impairment whenever events or changes in circumstances indicate the carrying amount of an asset may not be recoverable. Recoverability is measured by a comparison of the carrying amount to the future undiscounted net cash flows which the assets are expected to generate. If such assets are considered to be impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the assets exceeds the fair value of the assets. There were no such impairments of long-lived assets as of June 30, 2022.

Revenue Recognition

Contributions

Contributions are recognized when cash, securities or other assets, an unconditional promise to give, is received. Conditional promises to give, that is, those with a measurable performance or other barrier, and a right of return, are not recognized until the conditions on which they depend have been substantially met. Certain Agency grants are conditioned upon certain performance requirements and the incurrence of allowable qualifying expenses. Consequently, at June 30, 2022, outstanding conditional contributions approximating $458,000 for which no amounts had been received in advance, have not been recognized in the accompanying financial statements.

Donated Services

Noncash in-kind contributions are recorded as both revenue and expense at the estimated fair value in the financial statements if, among other things, the Agency would typically need to purchase these services if they were not provided by donation.

The Agency receives substantial support in the form of donated volunteer services. The value of these services is not recorded because they do not meet the requirements to be recorded in accordance with nonprofit accounting principles.

Noncash contributions of advertising, special event auction items, and sporting event tickets are recorded at fair value at the time of donation. Items given away by the Agency as part of its program are recorded as an equal expense.

Special Events Revenue

The Agency conducts special events in which a portion of the gross proceeds paid by the participant represents payments for the direct cost of the benefits received by the participant at the event. Unless a verifiable, objective means exists to demonstrate otherwise, the fair value of entertainment provided at special events is measured at the actual cost to the Agency. The direct costs of the special events which ultimately benefit the donor rather than the Agency are included in special events revenues and then expensed as costs of direct donor benefits.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Functional Expenses Classifications

The cost of providing program services and other activities has been summarized on a functional basis in the statement of activities. Accordingly, certain costs such as salaries and related costs, occupancy, depreciation, insurance and supplies been allocated among the programs and supporting services benefited. The allocation methods used are based on square footage, full-time equivalents, and other appropriate methods, and are subject to a certain degree of estimation by management.

Income Taxes

The Agency is exempt from federal and Arizona income taxes under Section 501(c)(3) of the Internal Revenue Code (IRC) and, therefore, there is no provision for federal or state corporate income taxes. In addition, the Agency has been determined by the Internal Revenue Service not to be a private foundation within the meaning of Section 509(a) of the IRC.

Management believes that the Agency has no uncertain tax positions as of June 30, 2022.

Adoption of Accounting Pronouncement

In September 2020, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2020-07, *Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets*. This standard requires that contributed nonfinancial assets are reported on a separate line item in the statements of activities, apart from contributions of cash and other financial assets. It also requires disclosure of disaggregated amounts of contributed nonfinancial assets by category that depicts the type of contributed nonfinancial assets along with additional qualitative information about the monetization of such assets, donor restrictions and valuation techniques. The adoption of this standard did not have any significant impact on the accompanying financial statements or disclosures.

Accounting Pronouncement Not Yet Effective

In February 2016, FASB issued ASU 2016-02, *Leases*. This accounting standard requires organizations that lease assets to recognize a right-of-use asset and a lease liability, initially measured at the present value of the lease payments, in its statement of financial position. This accounting standard will also require additional disclosures about the amount, timing and uncertainty of cash flows arising from leases. This accounting standard is effective for the Agency as of fiscal year 2023. Management is currently evaluating the impact of adopting this accounting standard.

Subsequent Events

In preparing these financial statements, the Agency has evaluated events and transactions for potential recognition or disclosure through February 14, 2023, the date the financial statements were available to be issued.

NOTE 2 LIQUIDITY AND AVAILABILITY

The Agency strives to maintain liquid financial assets sufficient to cover 90 days of general expenditures.

The following table reflects the Agency's financial assets, available for general expenditure within one year of the statement of financial position date:

Financial Assets at Year-End:	
Cash and Cash Equivalents	$ 2,507,401
Grants and Contributions Receivable	202,554
Investments	875,119
Due from Related Parties	164,073
Cash Held for Endowment Funds	100,000
Total Financial Assets	3,849,147
Less: Amounts not Available to be Used Within One Year:	
Restricted Funds for Time and Purpose	(473,349)
Investments for Endowment	(100,000)
Financial Assets Available to Meet General Expenditures Within One Year	$ 3,275,798

NOTE 3 GRANTS AND CONTRIBUTIONS RECEIVABLE

Grants and contributions receivable are stated as the amount management expects to collect. All receivables are due within one year. There was no allowance for uncollectible accounts as of June 30, 2022. Two contributors make up 80% of the total grants and contributions receivable balance as of June 30, 2022.

NOTE 4 FAIR VALUE MEASUREMENTS

The Agency accounts for its investments at fair value. Accounting standards describe three levels of inputs that may be used to measure fair value, as follows:

Level 1 – Quoted prices (unadjusted) in active markets for identical assets or liabilities that the Agency can assess at the measurement date.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly. These include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, inputs other than quoted prices that are observable for the asset or liability, and market-corroborated inputs.

Level 3 – Unobservable inputs for the asset or liability. In these situations, inputs are developed using the best information available in the circumstances.

NOTE 4 FAIR VALUE MEASUREMENTS (CONTINUED)

In some cases, the inputs used to measure the fair value of an asset or a liability might be categorized within different levels of the fair value hierarchy. In those cases, the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

At June 30, 2022, all investments were classified within Level 3 because they are comprised of pool funds.

The following tables set forth, by level, within the fair value hierarchy, certain assets, and liabilities measured at fair value as of June 30, 2022:

	Level 1	Level 2	Level 3	Assets Not Valued at Fair Value	Total
Pooled Investments	$ -	$ -	$ 875,119	$ -	$ 875,119
Total Investments	$ -	$ -	$ 875,119	$ -	$ 875,119

Purchases, sales, transfers in and transfers out of Level 3 investments consist of the following for the years ended June 30, 2022:

Purchases	$ 907,000
Sales	-
Transfers In	-
Transfers Out	-

The following table describes the valuation techniques used to calculate fair value for assets in Level 3.

Quantitative Information About Level 3 Fair Value Measurements

NOTE 9 ENDOWMENTS

The Agency's endowment consists of funds established to support the general purposes of the Agency. Its endowment consists of donor-restricted endowment funds. As required by generally accepted accounting principles, net assets associated with endowment funds, including funds designated by the board to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

Interpretation of Relevant Law

The board of directors of the Agency has interpreted the State Prudent Management of Institutional Funds Act (SPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. Consequently, the Agency classifies as donor-restricted net assets:

- The original value of gifts donated to the donor-restricted endowment
- The original value of subsequent gifts to the donor-restricted endowment
- The accumulated earnings on the donor-restricted endowment funds remain treated as donor restricted net assets until those amounts are appropriated for expenditure by the Agency's board in a manner consistent with the standards of prudence prescribed by SPMIFA.

In accordance with SPMIFA, the Agency considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

1. The duration and preservation of the fund.
2. The purpose of the Agency and the donor-restricted endowment fund.
3. General economic conditions.
4. The possible effect of inflation and deflation.
5. The expected total return from income and the appreciation of investments.
6. Other resources of the Agency.
7. The investment policies of the Agency.

NOTE 9 ENDOWMENTS (CONTINUED)

Return Objectives and Risk Parameters

The Agency has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to the programs supported by the endowments. The endowment assets are invested in an interest-bearing savings account.

Other		47,495
Management and General:		
Other		4,542
Direct Donor Benefits		120,881
Total	$	212,299

Program related in-kind consist of donated tickets and gift certificates to be distributed to kids. The Agency estimates the fair value of the program related in-kinds on the basis of estimates of the current market rates for similar travel, goods and other services in the Agency's market.

Special event in-kind amounts are donated items recorded at fair value that are used in facilitating the event. Examples of such donated items are generally food, beverage, facility costs, and auction items. The Agency estimates the fair value of these donated items based on the current market rates for similar items in the Agency's market. The Agency receives also items to be sold at its special events. Contributed items sold are valued at the gross selling price received and the value is included in special event revenue on the statement of activities. The amount of contributed items received and sold during the year ended June 30, 2022 totaled $35,800

NOTE 12 RELATED PARTY TRANSACTIONS

The Agency received support from the Association of $600,000 during the year ended June 30, 2022. In addition, the Association reimbursed the Agency for expenses of $136,339. As of June 30, 2022, the amount due from the Association was $128,973 and is included in Due from Affiliates on the statement of financial position. NOTE 12 RELATED PARTY TRANSACTIONS (CONTINUED)

During the year ended June 30, 2022 the Agency received contributions from board members totaling $114,184.

During the fiscal year ended June 30, 2022, the Agency bought the building from a board member for $1,200,000.

NOTE 13 RETIREMENT PLAN

The Agency maintains a defined contribution retirement plan (the Plan) for its employees established under IRC Section 403(b). The Plan covers essentially all management and exempt employees, exclusive of those employees who have elected not to participate. The Agency makes contributions to the Plan at the discretion of the board of directors. The Agency contributions to the Plan approximated $20,000 for the year ended June 30, 2022.

NOTE 14 CONTINGENCY

The Agency participates in a number of federal and state-assisted grant and contract programs which are subject to financial and compliance audits. Accordingly, the Agency's compliance with applicable grant or contract requirements may be determined at some future date. The amount, if any, of expenditures or fees for units of service which may be disallowed by the granting or contracting agencies cannot be determined at this time, although the Agency's management expects such amounts, if any, to be immaterial.

NOTE 15 CONCENTRATION OF CREDIT RISKS

Financial instruments that potentially subject the Agency to concentration of credit risk consist principally of cash and cash equivalents. Cash is placed with high quality financial institutions; however, at times these cash balances exceed the Federal Deposit Insurance Corporation (FDIC) insurance limit. Investments in mutual funds are not insured by the FDIC.

Cash contributions totaling approximately $970,000 were received from two donors for the year ended June 30, 2022, which represent 29% of total public support. Should these contribution levels decrease, the Agency may be adversely affected.

NOTE 16 RISKS AND UNCERTAINTIES

The World Health Organization declared the spread of Coronavirus Disease (COVID-19) a worldwide pandemic. The COVID-19 pandemic is having significant effects on global markets, supply chains, businesses, and communities. Specific to the Agency, COVID-19 has impacted various parts of its operations and financial results. Management believes the Agency is taking appropriate actions to mitigate the negative impact. However, the full impact of COVID-19 is unknown and cannot be reasonably estimated as these events are still developing.

NOTE 17 EMPLOYEE RETENTION CREDITS

Grants from the government are recognized when all conditions of such grants are fulfilled or there is reasonable assurance that they will be fulfilled. During the year ended June 30, 2022, the Agency applied for Employee Retention Credit (ERC) grant funding from the Internal Revenue Service. The Agency recognized $52,957 of grant revenue related to performance requirements being met in compliance with the program during the year ended June 30, 2022.

Eligibility and conditions for the ERC program may be audited by the Internal Revenue Service. The amount of liability, if any, from potential noncompliance cannot be determined with certainty; management is of the opinion that any audit will not have a material adverse impact on the Agency’s financial position.
